Dear Alan:

STATINTL Jack Coffey tells me that he has spoken to you about the committee of the Board of Trustees of the Educational Aid Fund to be chaired by [REDACTED] which has been constituted to examine ways and means of attracting additional support for the activities and needs of the Fund.

I am most appreciative of your willingness to serve on this committee. I understand that Chuck will convene the first meeting of the committee at some time in the near future.

Sincerely,

[REDACTED]
